EMERGENCY DECLARATION

Given that there are 247 cases in the State of Ohio with 3 deaths, and

Given that there are multiple cases in counties adjacent to us, and

Given that we have had persons under investigation (PUI) in Pickaway County;

the Pickaway County Board of Health has decided to declare a Public Health Emergency for Pickaway County, giving the authority to the Health Commissioner to quarantine, order testing, or take any other necessary actions related to COVID-19.

The Board of Health wants to be ready so that Pickaway County Public Health can act quickly once there is a case in Pickaway County.

This decision was made on Saturday, March 21, 2020 at 4:34 p.m.

Per resolution #20-58.
