Ms. Bauman stated that the CHM nurse completed four home visits and the quarterly newsletter was sent out in December. Ms. Bauman stated there was nothing new to share regarding COVID-19. Ms. Bauman stated they are still a few facilities in outbreak status, but they are currently working with them to improve that status. Ms. Bauman also shared that the booster vaccine appointments for COVID have started to slow down as well. Ms. Bauman shared that the infectious disease program does not have much to update. Ms. Bauman stated that there is a small increase in the number of COVID cases. Ms. Bauman stated that the only other concerning information is there were 24 hospitalizations in December due to influenza, but that number is starting to go down.

**d) ENVIRONMENTAL HEALTH:** In addition to the monthly written report, Mr. Bull shared the Environmental Health program is focusing on getting the food inspections done by the February 28<sup>th</sup> deadline. Mr. Bull also shared that the Ohio Department of Agriculture (ODA) Food Survey is scheduled to start February 6<sup>th</sup>. Mr. Bull informed the board that they are working on getting the paperwork ready for that survey including pulling the inspection reports, cost methodology and other things needed for this survey. Mr. Bull shared that ODA will be looking back to 2017 when the last survey was conducted. Mr. Bull stated it will be a full week process and that this can be a stressful time for the sanitarians since this is their first survey. Mr. Bull shared that he just finished the application for the 2023 Mosquito Control Grant, Mr. Bull shared a break down of the funds for this grant. Mr. Bull state they are also working the Operation and Maintenance (O&M) inspections for the sewage program that are due in January, this program is a little behind due to being short staffed. Mr. Bull stated the Ohio Environmental Protection Agency (EPA) is coming in to do a survey on the solid waste program on February 28. Mr. Bull discussed the body art tattoo program that gives permits for body art are due December 3. Mr. Bull shared that when he started, he checked on this program to make sure the permits were up to date and found that several body art tattoo permits were in late status. Mr. Bull stated that the board has not adopted a late fee for this program yet. Mr. Bull shared the Ohio Revised code states Board of Health shall assess a penalty as authorized 3709.09 of the revised code for body art. Mr. Bull shared that is required by the Board of Health to assess a late fee of 25% if fees are not paid by December 31. Mr. Bull shared that there was some vandalism to the Board of Health vehicles. He shared that two of the vehicles had their catalytic converters stolen. Mr. Bull states that a report has been filed with the local law enforcement. Mr. Bull shared that he took both vehicles over the Perfection One for quotes to fix both vehicles, which totaled about \$3,000 per vehicle. Mr. Bull shared that one vehicle has a fire safety recall as well. Mr. Bull shared that both vehicles are unusable at this point. Mr. Bull shared that the inspectors were able to attend the Ohio Onsite Wastewater conference to get continuing education credits and learn about the new systems that are being installed. Mr.
