I understand that this written request must be received in the Health Department's office **AT LEAST 7 WORKING DAYS IN ADVANCE** of the date desired. Evaluations by Pickaway County Public Health of water systems and sewage systems apply only to the date and time that the inspections were conducted. The inspections do **not** guarantee the future performance of the water supply or sewage disposal system. Furthermore, the Board of Health will issue orders for the system repairs or replacement when the current system is found to be creating a nuisance or poses a potential health hazard.

Water system evaluations are conducted only on **Wednesdays between 1:00 PM and 4:00 PM**. It will be necessary for the Registered Environmental Health Specialist to enter the house for all inspections and will need to meet the homeowner, buyer, or agent at the property to allow entry. **Please allow 5 working days for results for all evaluations.**
